

STURGIS PUBLIC CHARTER SCHOOL ATHLETIC DEPARTMENT

-Transportation by Private Vehicle-

Sturgis Public Charter School does not have any insurance coverage to protect parents from liability while transporting students in private vehicles. Primary insurance coverage is that which belongs to the owner of the vehicle and the owner of the vehicle is responsible for any injury to students arising out of the transportation of the students in that vehicle. It is recommended that staff members and parents contact their own agent to review their policy and their own personal situation to be sure that they are provided with insurance coverage. It is imperative that substantial limits are carried to protect the children and vehicle owner. A suggested minimum: bodily injury, the uninsured motorist, under-insured motorist of \$100,000/\$300,000; medical payments of \$5,000; and property damage of \$50,000. The number of passengers assigned to each vehicle must be in accordance with the legal restricted limit for that vehicle.
